

## Basil Pesto

### Supplies

food processor

measuring cups

large spoon

### Ingredients

1/4 cup pine nuts

2 garlic cloves

1/4 cup olive oil

1 cup packed cup fresh basil

1/3 cup parmesan cheese

### Directions

Puree nuts, garlic cloves and 1/2 the olive oil in a food processor until smooth. Then, add basil, parmesan cheese, and the rest of the olive oil. Pulse processor until desired consistency. If pesto is too thick, add more oil.

Place in the refrigerator until you are ready to enjoy.
